Hope Harbor Donation

You may have already heard that we are close to completing the construction of the Hope Harbor facility. With only \$250,000 left to raise, we received \$125,000 from an anonymous donor to go towards matching gifts. This means that every dollar, every penny you give is being doubled to help us reach our goal. Thank you to everyone who has already given to help us meet this matching gift. Donate now and join us in the final stretch. To donate, go to:
